Annex E: Consultation Questions

The consultation sets out a number of proposed amendments. Views are invited on the following:

1) Where data relating to a citizen is held it should be accurate. Do you agree that the approach suggested at paragraphs 9-11 is an effective approach to achieving this?
   
   Yes ☒ No ☐

   If No, please describe the approach you feel should be taken.
   
   However, at least one person in our group was concerned about the assumption that, in para 10, "individuals will typically notify their local health board”. If individuals do not do so, is there some other way of capturing the information?

2) We propose to extend the current ability to trace persons a) who go missing whilst in education and b) who should pay for treatment provided by the NHS. Do you agree with these proposal set out in paragraphs 12-13?
   
   Yes ☒ No ☐

   If No please explain why not?
   
   Comments

3) In order to allow citizens to make use of myaccount for a wider group of services (beyond health and local government), as set out in paragraphs 14-16, we propose to provide access to the bodies named in draft Schedule 3 (Annex B). Are there any additional service providers who you feel should be included?
   
   No

4) Do you consider that the proposals set out in paragraph 18 are an effective method to identify Scottish Tax payers?
   
   Yes ☐ No ☒

   If No please describe the approach you feel should be taken.
   
   It all depends on how "Scottish taxpayer” is defined. There are people who live in Scotland, whose entire income is generated in e.g. England. Or whose income is generated in part in another country. Is "domicile" the guiding principle?
