Annex E: Consultation Questions

The consultation sets out a number of proposed amendments. Views are invited on the following:

1) Where data relating to a citizen is held it should be accurate.
Do you agree that the approach suggested at paragraphs 9-11 is an effective approach to achieving this?

Yes ☐ No ☑

If No, please describe the approach you feel should be taken.

There is no clear privacy policy for the data.

2) We propose to extend the current ability to trace persons a) who go missing whilst in education and b) who should pay for treatment provided by the NHS.
Do you agree with these proposal set out in paragraphs 12-13?

Yes ☐ No ☑

If No please explain why not?

Providing mass surveillance of the population to deal with corner cases of billing, is not appropriate.

3) In order to allow citizens to make use myaccount for a wider group of services (beyond health and local government), as set out in paragraphs 14-16, we propose to provide access to the bodies named in draft Schedule 3 (Annex B).
Are there any additional service providers who you feel should be included?

This should be a matter for statutory primary legislation, not regulations.

4) Do you consider that the proposals set out in paragraph 18 are an effective method to identify Scottish Tax payers?

Yes ☐ No ☑

If No please describe the approach you feel should be taken.

Health care tracking information should not be used for other purposes. It will reduce take up of health care.
