Dear Mr Pope, Thank you for your email which has been sent to The National Archives. We are not involved with the Aquaculture and Fisheries Bill. Having looked at the Scottish Government website it would appear that correspondence in relation the Bill should be sent to the following email address - Aquacultureandfisheriesconsultation@scotland.gsi.gov.uk

Dear Sir or Madam Having considered at length the response to the above by George Holdsworth Scottish Policy Officer I am as Chairman of the Bristol and West Branch of the Salmon and Trout Association wholeheartedly supporting on behalf of our Committee his submission. As a Branch we feel strongly that the sooner that closed containment is introduced the better it will be for all concerned.

Yours faithfully
Alfred Pope
