

Consultation response

Question 1: We would like to know in what context you are responding. Please choose one of the following:

I am responding as:

- a) an individual who experiences chronic pain
- b) a family member or carer of someone who experiences chronic pain
- c) a health professional
- d) an organisation representing people who experience chronic pain
- e) other stakeholder (please tell us in the comments box below)

Question 2: Please choose your preferred option (Chapter 2 provides details).

- Option 1 – a centre of excellence in a single location
- Option 2 – a service delivered by local chronic pain clinicians
(supported by other clinical advisors in another part of the country)
- Option 3 – a service delivered in different locations
(by a team of chronic pain specialists – an outreach or roving service)

Please tell us why this is your preferred option in the comments box below. The factors listed in Chapter 2 of the consultation paper may help you.

- ALREADY WORKS IN OTHER
AREAS OF THE UK

Question 3: Are there any of the options you disagree with? (If No, move straight to Question 4.)

If yes, please tell us which one(s) in the comments box, and why?

† DISAGREE WITH ALL OTHER
OPTIONS, TREATMENT FOR PATIENTS
WOULD BE FRAGMENTED

Question 4: If you have other ideas that have not been covered, please tell us about these in the comments box below. You may want to include the advantages and disadvantages of each.

OTHER IDEAS IN COMMENTS BOX

Question 5: What do you think the barriers are to accessing a residential pain management service? (For example, distance away from family, work or family commitments, upfront travel costs.)

Please list as many as you wish in the comments box below and include any others that are important to you.

- TRAVEL DISTANCE/COST
- CARING RESPONSIBILITIES

THESE WOULD APPLY REGARDLESS
OF THE OPTION. THE ADVANTAGES
OUTWEIGH THE DISADVANTAGES.

Question 6: Please choose from the list below which aspects of residential pain management services should be included in a Scottish service.

(choose as many as apply)

- A chronic pain assessment
- Supported one-to-one sessions to teach coping skills
- Group sessions
- Residential accommodation
- Opportunity for immediate carer/support provider to accompany patient
- Peer support
- Tailored exercise programme
- Medication assessment
- Other (please tell us in the comments box below)

INFO SESSION FOR FAMILY MEMBERS

Question 7: Irrespective of the final service model selected, should access to the current service provided in Bath (or elsewhere in the UK) be retained for occasional use?

Yes No Don't Know **ONLY IN EMERGENCY**

Question 8: Have you previously attended, or supported someone attending a residential service outside Scotland?

Yes (please answer Question 9)

No (please move straight to Question 10)

Question 9: If you have attended, or supported someone attending a residential service outside Scotland, please tell us about any advantages and disadvantages of the experience.

[Empty text box for answer to Question 9]

Question 10: If you, or someone close to you, has been offered but declined a residential service outside Scotland what were the reasons for this?

- TOO FAR TO TRAVEL

Question 11: If you wish to add any further comments on issues raised in the consultation paper or current chronic pain services in Scotland, please use the comments box below.

A CENTRE OF EXCELLENCE IS THE WAY FORWARD FOR SCOTLAND. IT WORKS ELSEWHERE, WHY NOT HERE TOO? HAVING A VARIETY OF SPECIALISTS CO-LOCATED IN THE ONE CENTRE WILL ENSURE CONTINUITY OF CARE FOR PATIENTS. INFORMATION + GOOD PRACTICE CAN BE SHARED ON A REGULAR BASIS BETWEEN PROFESSIONALS. HAVING MORE THAN ONE CLINICIAN IN THE ONE PLACE WILL ENSURE THE CENTRE OPERATES AT ALL TIMES.

(End of questions. If you require more space to write answers, you may submit as many additional pages as you wish. If doing so, please clearly state the question numbers that your answers relate to.)
