 - (iii) accommodated in a care home or residential educational establishment outside the United Kingdom, where the costs of any qualifying services are met by a local authority exercising its powers under section 25 of the Education (Additional Support for Learning) (Scotland) Act 2004.

Application for Child Disability Payment while on leave from a care home or residential educational establishment

15.—(1) This regulation applies where an individual who is not in receipt of the care component of Child Disability Payment takes leave from a care home or a residential educational establishment.

(2) Scottish Minister must make a determination without application for the period of leave in respect of an individual who—

- (a) is no longer in receipt of Child Disability Benefit by virtue of a determination without application made where regulation 11(2) applies,
- (b) takes leave from the care home or residential educational establishment,

- (d) is taking leave on a date before the review date of the determination that the individual is not entitled to the care component mentioned in sub-paragraph (a).

(3) A determination made under paragraph (2) must be at the same rate of the care component as the determination made before the individual entered the care home or residential educational establishment.

(4) An individual is entitled to the care component of Child Disability Payment for the period beginning with the day on which the person goes on leave and ending on the day after the day on which the person returns to the care home or residential educational establishment.

Entitlement to care component of disability assistance while an inpatient

16. For the avoidance of doubt, any period when a person is an in-patient in a hospice, has no effect on the person's entitlement to the care component of Child Disability Payment.

PART 6

Winter heating assistance

Payment of winter heating assistance

17.—(1) The Scottish Ministers must make a determination of entitlement to winter heating assistance under section 30 of the 2018 Act, without an application, in respect of any individual who –

- (a) is in receipt of the highest rate of the care component of Child Disability Payment or Disability Living Allowance for at least one day of the qualifying week, or
- (b) as a result of a determination without an application made under regulations 30 or 31 or the outcome of a re-determination or an appeal under sections 43 or 46 of the 2018 Act, is in receipt of Child Disability Payment which has effect for at least one day of the qualifying week

(2) Where one of the conditions in paragraph (1) is met, the Scottish Ministers will pay to that individual a single payment of £200.

(3) In this regulation, “qualifying week” means the week running from the third Monday in September in any given year.

(4) Paragraph (2) does not apply where Child Disability Payment or Disability Living Allowance is paid for at least a day of the qualifying week where the individual has died before the qualifying week.

(5) The payment mentioned in paragraph (2) will be paid regardless of any sums owed by the individual in relation to an overpayment of Child Disability Payment or Disability Living Allowance.

PART 7

Short-term assistance

Entitlement to short-term assistance

18.—(1) Subject to paragraph (2), a recipient of Child Disability Payment is entitled to short-term assistance upon application where—

- (a) a determination of entitlement in respect of the individual has been superseded by a subsequent determination which has the effect that the individual—
 - (i) is no longer entitled to Child Disability Payment, or
 - (ii) is entitled to a lower rate of either component or both components of Child Disability Payment,
- (b) the individual’s entitlement to Child Disability Payment is under review within the meaning of paragraph 1(2) of schedule 10 of the 2018 Act, and
- (c) the individual—
 - (i) continues to meet the conditions as to residence and presence set out in regulation 4, or
 - (ii) has transferred to become ordinarily resident in another part of the United Kingdom, and the matter under review is the determination of entitlement for the 13-week period beginning with the day on which notification of transfer is received by the Scottish Ministers, in accordance with regulation 41 (persons in respect of whom Child Disability Payment is paid at the time of transferring to another part of the United Kingdom).

(2) An individual is not entitled to short-term assistance where the individual is no longer entitled to Child Disability Payment as a result of a determination made that—

- (a) the Scottish Ministers consider, on the balance of probability, that the person's existing entitlement was determined as a result of the commission of an offence under section 71, 72 or 73 of the 2018 Act,
 - (b) in the case of an individual who has transferred to Scotland from another part of the United Kingdom in accordance with regulation 40 (persons in respect of whom Disability Living Allowance is paid in another part of the United Kingdom immediately before transferring to Scotland), the Scottish Ministers are informed that the Secretary of State considers, on the balance of probability, that the earlier award of Disability Living Allowance was made as a result of the commission of an offence under section 111A (dishonest representations for obtaining benefit etc.) or 112 (false representations for obtaining benefit etc.) of the Social Security Administration Act 1992, or
 - (c) regulation 11 (effect of admission to a care home or residential educational establishment on entitlement to care component) or 13 (effect of legal detention on entitlement to care component).
- (3) Entitlement to short term assistance begins on the earlier of the date when—
- (a) a request is made under section 41 of the 2018 Act (right to request re-determination) for a re-determination, on the day that request is made,
 - (b) a notice of appeal is submitted under section 47 of the 2018 Act (initiating an appeal), on the day it is accepted,
 - (c) a decision of the Scottish Ministers is made not to accept a request for a re-determination, on the day that decision is set aside by the First-tier Tribunal for Scotland,
 - (d) a request is made under section 48(1)(b) of the 2018 Act for permission to appeal, on the day that request is made.

Value and form

19.—(1) The value of short-term assistance payable is to be the difference between the level of assistance paid under the earlier determination, and the level paid under the determination by which it is superseded.

(2) Where, under the determination which has been superseded, a deduction was made to meet a liability, in accordance with paragraph 15 of schedule 5 of the 2018 Act, such a deduction is to be made from the payment of Short Term Assistance.

(3) The form in which the short term assistance is given is the same as provided for in regulation 38(4).

End of entitlement

20.—(1) Entitlement to short-term assistance ends on the day—

- (a) a determination is made by the Scottish Ministers under section 43 of the 2018 Act (duty to re-determine),
- (b) the First-tier Tribunal for Scotland makes a decision under section 49 of the 2018 Act (First-tier Tribunal's power to determine entitlement), or
- (c) that the First-tier Tribunal for Scotland makes a decision to refuse permission under section 48(1)(b) of the 2018 Act (deadline for appealing) to bring an appeal.

(2) Where a decision of the First-tier Tribunal for Scotland mentioned in paragraph (1)(b) or (c) is set aside, an individual may apply for short-term assistance.

Reduction of payment of Child Disability Payment where short-term assistance is paid

21. Where an individual has received short term assistance for a period and a determination is subsequently made that that individual is entitled to Child Disability Payment at a higher rate, any payment of Child Disability Payment to be paid for that period will be reduced by the short term assistance and Child Disability Payment already paid to that individual.

PART 8

Making of applications and payments and duration of eligibility

Age criteria

22.—(1) Subject to the following provisions of this regulation, regulation 9 (entitlement under special rules for terminal illness) and regulation 10 (entitlement to care component when undergoing dialysis), Child Disability Payment may be paid in respect of an individual who is aged at least 3 months but is under the age of 18 years.

(2) Where an individual's entitlement to DAWAP has not been determined before the day of the person's 18th birthday, the person may continue to receive Child Disability Payment until the earlier of—

- (a) the date their entitlement to DAWAP is determined, or
- (b) the person's 19th birthday.

(3) Paragraph (2)(b) does not apply to an individual who has a terminal illness or who is an in-patient in a hospital.

(4) Child Disability Payment may only be paid in respect of an individual who is, on the day on which entitlement is taken to have begun, in accordance with regulation 24 (when an application is to be treated as made and beginning of entitlement to Child Disability Payment), under the age of 16.

Making payments

23.—(1) Where Child Disability Payment is payable in respect of an individual under the age of 16 years, it is to be paid to the person specified in the application to be used for the benefit of the individual.

(2) Where Child Disability Payment is payable in respect of an individual aged 16 years or more, the Scottish Ministers may, where they consider it appropriate, make the payment to another person to be used for the benefit of the individual person.

(3) Where the Scottish Ministers consider, for any reason, that it is no longer appropriate for a particular person who falls within paragraph (1) or (2) to continue to receive the payment, they may cease making payment to that person and pay it instead to another person.

When an application is to be treated as made and beginning of entitlement to assistance

24.—(1) An application is to be treated as made—

- (a) on the day it is received by the Scottish Ministers, or
- (b) if applicable, on the day identified by the Scottish Ministers in accordance with paragraph (2).

(2) If, before making a determination on the basis of an application, the Scottish Ministers consider that the individual in respect of whom the application is made—

- (a) would not satisfy the requirement in regulation 5(3) (care component criteria), 6(5) (mobility requirements: lower rate mobility component), 7(10) (mobility requirements: higher rate mobility component), or 22 (age criteria), if the application were treated as made on the day it was received, and
- (b) would be eligible to receive Child Disability Payment if those requirements were satisfied,

the Scottish Ministers may treat the application as having been made on the day on which those requirements become satisfied.

(3) Where, on the basis of an application, a determination is made that an individual is entitled to Child Disability Payment, the date of entitlement is to be identified in accordance with paragraphs (4) to (6).

(4) Where an application is made within 6 weeks of the day on which the data required to construct a record in respect of a child or young person is submitted to the Scottish Ministers, entitlement begins on the later of—

- (a) the day on which the data was submitted, or
- (b) the day identified in accordance with paragraph (2).

(5) Subject to paragraph (6), where an application is made outwith the 6 week period described in paragraph (4), entitlement begins on the day on which the application is treated as having been made.

(6) Where the Scottish Ministers are satisfied that there is good reason why an application was made outwith the 6 week period described in paragraph (4), they may treat the application as having been made within that period.

(7) For the purposes of section 38 of the 2018 Act, the period covered by an application for Child Disability Payment —

- (b) ends on the later of—
 - (i) the day on which the determination of entitlement is issued,
 - (ii) the day on which a re-determination of entitlement is issued,
 - (iii) the day on which a decision is made in relation to an appeal.

(8) Where the Scottish Ministers request an applicant to supply information in relation to an application, the information must be supplied within 4 weeks from the date of request unless the applicant has good reason not to comply with that timescale.

(9) The matters to be taken into account in determining whether or not the applicant has good reason under paragraph (8) include—

- (a) the applicant's state of health at the relevant time, and
- (b) the nature of any disability that the applicant has.

Time of payment

25. Where an award of Child Disability Payment is made, the Scottish Ministers are to pay assistance —

- (a) 4 weekly in arrears, or
- (b) where regulation 9 (entitlement under special rules for terminal illness) applies, weekly in advance.

Continuing eligibility

26. An individual's entitlement to Child Disability Payment is to be made on the basis that the individual has ongoing entitlement to that assistance which is reviewed at the end of the period mentioned in regulation 27.

Period stated in determination

27. The eligibility rules prescribed in regulations 4 to 7, are taken to continue to be satisfied in an individual's case, for such period as the Scottish Ministers state in the statement of determination.

Continuing eligibility after the death of a child or young person

28. Where a child or young person who is in receipt of Child Disability Payment dies, Child Disability Payment continues to be paid at the same rate to the person mentioned in regulation 23(1) or (2) for a period of 8 weeks beginning on the day after the day of death.

Qualification and experience necessary to determine entitlement

29.—(1) The Scottish Ministers are to appoint persons to act as case managers to determine entitlement to Child Disability Payment.

(2) A person appointed to act as a case manager must undertake such training as required by the Scottish Ministers.

(3) The training mentioned in paragraph (2) must include material relating to mental health conditions and learning disabilities.

(4) The Scottish Ministers are to appoint persons to act as specialist advisers, to assist persons appointed to act as case managers in the determination of entitlement to Child Disability Payment.

(5) A person may only be appointed to act as a specialist adviser if they have been employed over a cumulative period of at least 2 years, in the direct provision to individuals of health care or social care services

(6) A proportion, to be determined by Scottish Ministers, of the persons to be appointed to act as specialist advisers must have been employed over a cumulative period of at least 2 years in the direct provision to individuals with mental health conditions or learning disabilities of health care services or social care services.

(7) A person appointed to act as a special adviser must undertake such training as required by the Scottish Ministers.

(8) Those persons appointed to act as specialist advisers determined under paragraph (6) must also undertake training which includes material relating to mental health conditions and learning disabilities.

(9) In this regulation—

“health care services” means services provided for or in connection with the prevention, diagnosis or treatment of illness, and

“social care services” means services provided for or in connection with assistance with personal care, including assistance with washing and dressing, provision of meals and administration of medicine.

PART 9

Re-consideration of entitlement to Child Disability Payment: determination without application

Consideration of entitlement after specified period

30.—(1) The Scottish Ministers must make a determination of an individual’s entitlement to Child Disability Payment, without receiving an application, at the end of the period specified in the individual’s statement of determination.

(2) In connection with such a determination, the Scottish Ministers may—

(a) request that information be supplied to them by a specified date, and

(b) give notice that if the information is not supplied by that date, they may proceed, without further consideration, to make a determination that the relevant conditions of eligibility are no longer met.

Other situations requiring a determination without an application

31.—(1) The Scottish Ministers must make a determination of an individual's entitlement to Child Disability Payment, without receiving an application, where,—

- (a) during the period specified in the individual's statement of determination, they become aware—
 - (i) of a change of circumstances which would possibly result in an alteration to the level of Child Disability Payment payable in respect of the person,
 - (ii) that the person has been admitted to a care home or residential educational establishment for a period of 28 days or more,
 - (iii) that regulation 13 applies to the person (effect of legal detention on entitlement to care component of Child Disability Payment),
 - (iv) that a determination of the person's entitlement was made in ignorance of a material fact which existed at the time of the determination,
 - (v) that the individual has a liability to the Scottish Ministers under section 63 of the 2018 Act (liability for assistance given in error),
 - (vi) of an alteration of the level of award of Disability Living Allowance of which an individual was in receipt immediately before transferring to Scotland in accordance with regulation 40 (persons in respect of whom Disability Living Allowance is paid in another part of the United Kingdom immediately before transferring to Scotland),
- (b) they are informed that an individual in respect of whom Child Disability Payment is payable, has transferred—
 - (i) to Scotland from another part of the United Kingdom (see regulation 40 - persons in respect of whom Disability Living Allowance is paid in another part of the United Kingdom immediately before transferring to Scotland), or
 - (ii) from Scotland to another part of the United Kingdom (see regulation 41 - persons in respect of whom Child Disability Payment is paid at the time of transferring to another part of the United Kingdom),
- (c) they consider, on the balance of probability, that the person's existing award was made, or has continued, as a result of the commission of an offence under section 71, 72 or 73 of the 2018 Act,
- (d) they are informed that, in the case of an individual who has transferred to Scotland from another part of the United Kingdom in accordance with regulation 41, the Secretary of State considers, on balance of probability, that an offence under section 111A (Dishonest representations for obtaining benefit etc.) or 112 (False representations for obtaining benefit etc.) of the Social Security Administration Act 1992^(a) has been committed],
- (e) entitlement is altered as a result of a change of eligibility criteria for Child Disability Payment,
- (f) the individual—
 - (i) has reached 16 years of age, and
 - (ii) has not notified the Scottish Ministers of their bank details,
- (g) an application for Child Disability Payment is made which is not in accordance with section 38(1) of the 2018 Act (application for assistance),
- (h) the Upper Tribunal for Scotland has decided that an error on a point of law has been made, or
- (i) a request is made that Child Disability Payment no longer be paid.

(2) Paragraph (1) applies only where the Scottish Ministers have previously made a determination of the individual's entitlement to Child Disability Payment.

(a) 1992, c 4.

 - (c) any other information subsequently obtained in connection with the making of the determination under that paragraph, and
 - (d) any other relevant information before them.

Determination following official error

32.—(1) The Scottish Ministers are to make a determination of an individual's entitlement to Child Disability Payment, without receiving an application, where—

- (a) they have previously made a determination of the individual's entitlement to Child Disability Payment,
- (b) they establish that, due to official error, that determination was incorrect resulting in the individual—
 - (i) not being given an award of Child Disability Payment to which they were entitled,
 - (ii) being given a lower award than that to which they were entitled,
 - (iii) being given an award of Child Disability Payment to which they were not entitled, or
 - (iv) being given a higher award than that to which they were entitled

When changes of entitlement take effect

33.—(1) Where, as a result of a determination without an application, the amount of Child Disability Payment payable in respect of an individual is changed, the changed entitlement—

- (b) in the case of an increase in the level of award of Disability Living Allowance of which an individual was in receipt at the time of transferring to Scotland in accordance with regulation 40 (persons in respect of whom Disability Living Allowance is paid in another part of the United Kingdom immediately before transferring to Scotland), begins on the date of the first determination of entitlement to Child Disability Payment,
- (c) in the case of an earlier determination which was based on official error within the meaning of regulation 34 (determination following official error: meaning of "official error") or on ignorance of facts material to the determination, begins on the date of that earlier determination.

(2) Where, as a result of a determination without an application, the amount of Child Disability Payment payable in respect of an individual is decreased, or entitlement ceases, the change in entitlement begins on the date of the determination or, in the case of a change in the law, on the date on which the relevant provision comes into force .

(3) This regulation is subject to regulation 34 (timing of notification of change in circumstances).

Timing of notification of change in circumstances

34.—(1) Where the Scottish Ministers consider on balance of probability that a requirement to notify a change in circumstances imposed in accordance with section 56 of the 2018 Act has not been met, the altered entitlement begins—

- (a) in the case of a change which increases an individual's level of entitlement, on the date on which notification of the change was received by the Scottish Ministers,
- (b) in the case of a change which decreases an individual's level of entitlement, or results in entitlement ceasing, on the date on which the Scottish Ministers consider notification would have been received if the requirement to notify had been met.

(2) Where the Scottish Ministers consider that in all the circumstances it would be unjust not to do so, they may fix an earlier date under paragraph 1(a), or a later date under paragraph 1(b).

PART 10
