Statement of Appeal

You **MUST** state, in full, why you are appealing against the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your appeal.

Note: You might not have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account. You will though be entitled to comment on (i) any additional matter which may be raised by the planning authority in its response to your appeal, or (ii) any representations the Scottish Government might receive from any other person or body.

State the reasons for your appeal and all matters you wish to raise here. (If necessary, this can be continued or provided in full on a separate document).

List of documents/evidence

Provide a list of all documents, materials and evidence which you have provided with your appeal and intend to rely on in support of your appeal and ensure that the documents are clearly numbered (If necessary, this can be continued or provided in full on a separate document). When listing plans and drawings, please quote the reference the planning authority gave them.

Appeal Procedure

The person appointed to determine your appeal will decide the procedure to be used. In general, a decision will be made based on your appeal documents and the planning authority's response. In some cases the appointed person may require further procedures to gain more information on specific matters before reaching a decision. This is your opportunity to indicate what procedure you think is most appropriate for the handling of your appeal. (See Notes for Appellants)

Note: If you select Option 1 you should not select any further options.
You may however select any combination of Options 2 to 5 if you wish.

1. Review of all relevant information provided by yourself and other parties only, with no further procedure
2. Inspection of land subject of the appeal
3. Further written submissions on specific matters
4. Holding one or more hearing sessions (i.e. round table discussions) on specific matters
5. Holding one or more formal inquiry sessions on specific matters

If boxes 3, 4 or 5 are checked, please explain below which of the matters (as set out in your statement above) you think should be subject to that procedure, and why. (Use additional pages if necessary.)

Site Inspection

In the event that the Scottish Government Reporter appointed to consider your appeal decided to inspect the appeal site, in your opinion:

Can the site be viewed entirely from public land? Yes No

Is it possible for the site to be accessed safely, and without barriers to entry? Yes No

Are there any biosecurity issues that affect the site? Yes No

(for more information on biosecurity, please see the site inspection section in the notes for appellants)

If there are any reasons why you think the Reporter would be unable to access and view the appeal site alone, please explain here:

Other Appeals

Have you made any other appeals to Scottish Ministers concerning this land?

Yes

No

If yes, please give details, including our appeal reference numbers (if known):
