HL3 Group Discussion

- Overall, what did you think of the presentation of HL3 data in the annual Homelessness publication, published June 2018 (see handouts)

- Are there any topics, graphs or tables that you think we should get rid of?

- Do you think the presentation of both HL2 and HL3 data is confusing?

- Bearing in mind that we can link to HL1 data, are there any other breakdowns of the data that you think would be useful to present?
