

# Covid-19 Education Recovery Group - Infographic

As at 21 March 2021:

- There have been 18,732 children and young people aged 2-17 years in Scotland who have tested positive for COVID-19 since the start of the outbreak.

In the week ending 21 March 2021:

- There were 813 children and young people aged 2-17 years in Scotland who tested positive for COVID-19, among the 6,026 children and young people who were tested.
- The identified COVID-19 positive cases reflected a rate of 96.3 cases per 100,000 2-4 year olds, 100.4 cases per 100,000 5-11 year olds, 59.5 per 100,000 12-13 year olds, 55.1 per 100,000 14-15 year olds and 90.0 cases per 100,000 16-17 year olds. The rate of cases per 100,000 of the general population was 72.8.

On 23<sup>rd</sup> March:

### Primary Schools:

- Attendance in Primary schools was 94.0%.
- Absences (authorised and unauthorised) because of non Covid-19 related reasons were reported at 4.0%.
- 7,779 pupils were not in school either all or part of the day because of Covid-19 related reasons.
- The percentage of school openings (i.e. half days) that showed pupils were not in school because of Covid-19 related reasons was 2.0%.

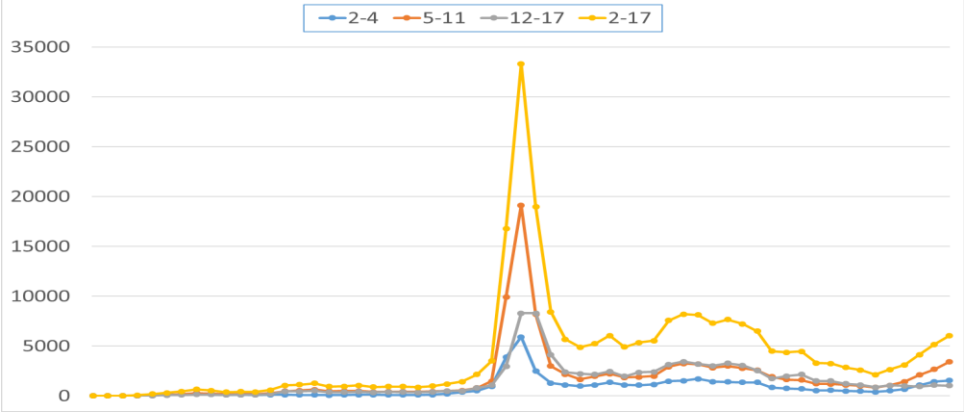

### Secondary Schools:

- The percentage of Secondary (S1-S6) pupils physically in school in the morning was 26.8%. In the afternoon this figure was 24.1%.

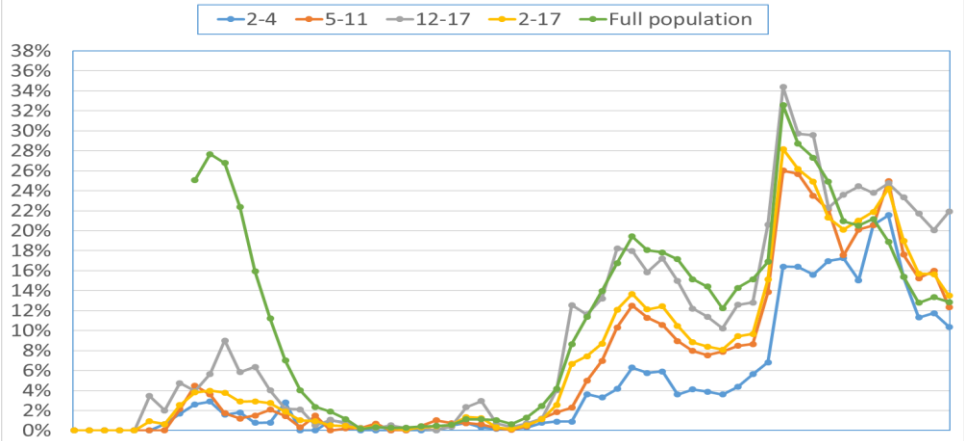

### Special Schools:

- In Special schools, the percentage of pupils physically in school was 72.7%.

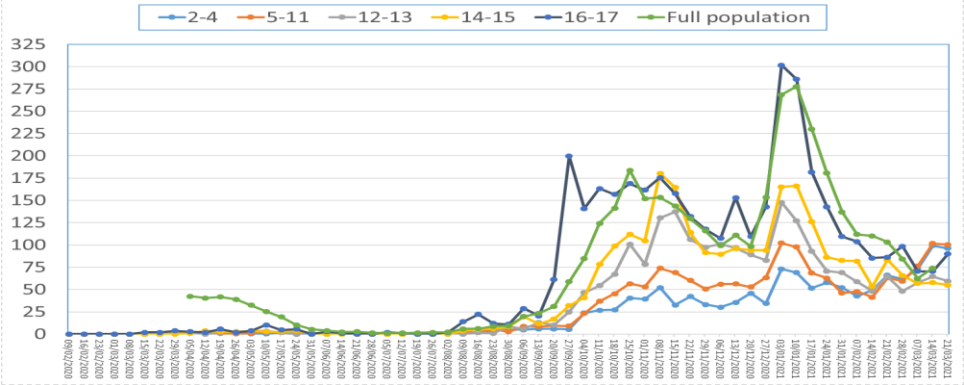

Number of children and young people tested for Covid-19 by age group, week ending 9 February 2020 to 21 March 2021, Scotland

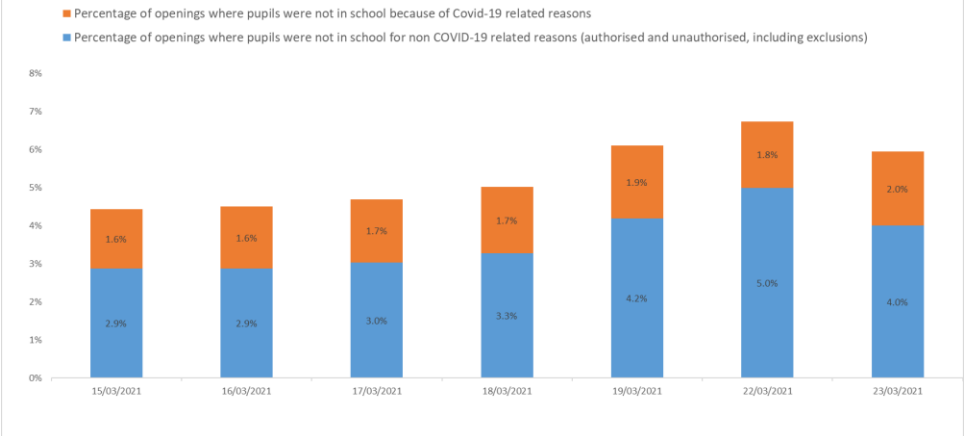

Percentage of children and young people tested positive for Covid-19 by age group, week ending 9 February 2020 to 21 March 2021, Scotland

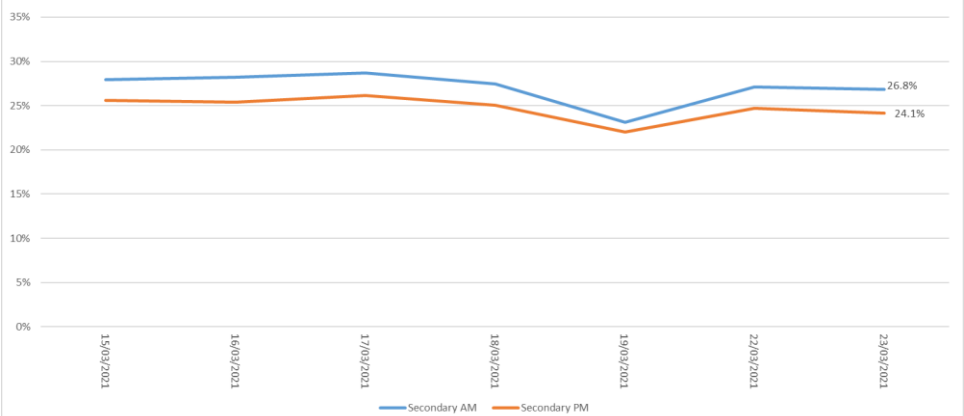

Rate per 100,000 population of positive COVID-19 cases across NHS Scotland, by age group, week ending 9 February 2020 to 21 March 2021, Scotland

School absence rate: COVID-19 and non COVID-19 related reasons - Primary only - 15 March onwards

Percentage of pupils in attendance in secondary school, 15 March onwards

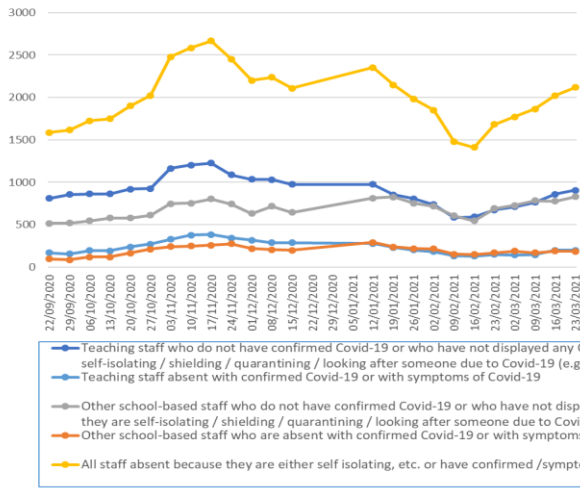

# Covid-19 Education Recovery Group - Infographic

- From Monday 15 March all children in Primary school were to return to school, with all Secondary pupils returning part-time from this date.

On 23rd March:

- 2,117 staff were absent due to Covid-19 related reasons, of which, 1,102 were teaching staff and 1,015 were other school-based staff.
- 73,350 children were attending a childcare setting and 1,735 had a Covid-19 related absence. Note that not all open settings completed the survey and that these figures are an underestimate of the actual number of open settings and children attending.
- This week, 900 (4.4%) childcare staff were absent due to Covid-19 related reasons [based on a 53% response rate].**

Estimated number of local authority school-based staff absent due to Covid-related reasons, Scotland

For any LAs that were unable to submit their latest information on time, or for other reasons (e.g. due to local holidays/in-service days), then their previously submitted figures have been carried forward in order to produce an estimated total number of staff absent for Scotland.

As such, week on week comparisons should be made with some caution as there will be some variation in the number of weeks between a local authority's latest provided figures and their previously submitted figures.

The latest estimated total number of staff absent (i.e. as at 23/03/21) has two local authorities for which previously supplied figures have been carried forward.

● Teaching staff who do not have confirmed Covid-19 or who have not displayed any Covid-19 symptoms but are absent because they are self-isolating / shielding / quarantining / looking after someone due to Covid-19 (e.g. their child)  
● Teaching staff absent with confirmed Covid-19 or with symptoms of Covid-19  
● Other school-based staff who do not have confirmed Covid-19 or who have not displayed any Covid-19 symptoms but are absent because they are self-isolating / shielding / quarantining / looking after someone due to Covid-19 (e.g. their child)  
● Other school-based staff who are absent with confirmed Covid-19 or with symptoms of Covid-19  
● All staff absent because they are either self isolating, etc. or have confirmed /symptoms of Covid-19

Number of children attending and absent on 23 March by type of childcare provider
